

## USGA RULES GOVERN ALL PLAY

### Local Rules

1. All penalty areas are marked as red penalty areas with lines or stakes defining the edges. On holes #13, #14, #15, if there is a doubt whether a ball is in or lost in the penalty area crossing the fairway, a provisional may be played using any of the relief options available for penalty areas.
2. Hole #4 – The part of the penalty area marked with Red Stakes with Green Tops to the right of the putting green is treated as a No Play Zone. Players must take relief from interference under Rule 17.1e. Entering the No Play Zone for any reason is a breach of the Code of Conduct which may result in a general penalty.
3. Out of bounds is defined by the inside edge of white stakes, roadways or boundary fences. A ball coming to rest on or beyond any roadways is out of bounds, even if it comes to rest on another part of the course that is in bounds for other holes. Private property beyond the water's edge of penalty areas or tied to white stakes is out of bounds. A ball that comes to rest inside or goes through a tunnel is out of bounds.
4. Immovable Obstructions Close to a Putting Green – Relief is available only when the ball and the immovable obstruction lie in a closely-mown area, the ball lies in the general area, and an immovable obstruction on or within two club-lengths of the putting green and within two club-lengths of the ball intervenes on the line of putt between the ball and the hole. Drop the ball within one club-length of complete relief for your line of putt.
5. Alternative to Stroke & Distance for ball lost or out of bounds - the local rule is in effect for general play only, not tournament play.
6. If a player's ball lies in or touches a seam of turf or edging groove near the putting green, the player may take relief under 16.1.
7. Blue tops on stakes means the cart path is the edge of the penalty area or out of bounds.
